Hi,
Interesting update.
-Susan

Breaking medical news alert for July 23, 2018.

News Alert

The image shows a news alert from Medscape Medical News. The alert has a dark blue header with the text 'News Alert' and three question mark icons. Below the header is a white box with a dark blue border. The text 'BREAKING NEWS' is at the top left in red, and the date 'July 23, 2018' is at the top right. The main headline is 'FDA OKs First New Malaria Treatment in More Than 60 Years' in blue. Below the headline is the source 'Medscape Medical News'. At the bottom left is a red button with the text 'Read Now >'. At the bottom right is a white box with a dark blue border and a question mark icon.
